18 DESCRIPTION OF THE CASE

19 1. A brief description of the events underlying the action:

20 This is a simple wage and hour case. Plaintiffs claim they worked unpaid overtime for  
defendants as laborers. Defendants deny they owe any overtime.

21 Defendants represent themselves pro-per. A telephone mediation conference was set for  
22 January 15, 2008. The telephone conference is in the process of being rescheduled as the  
mediator could not reach Plaintiff's counsel since he moved to a new office.

23 Plaintiff and Defendant have scheduled to meet informally on January 29, 2008 in an  
attempt to settle this matter. Plaintiff and Defendant request that the Case Management

1 Conference be moved to March 29, 2008 in order to us more time to settle the matter or mediate  
2 it with the court appointed mediator.
